Message

From the Chairman

Dear Students/Parents

Warm welcome to Sagarmatha Secondary Boarding School [SSBS]. The seeds of an idea sown in 2053 BS have quickly come to fruition, and the school is growing into a strong sapling. Active and tactful supervision of its all the associated members has made it one of the top schools of the country. SSBS proclaims a powerful vision for the future of young people and has a deep understanding of responsibility to help shape their lives for successful socialization. Further, the School inculcates in the students a respect for tradition and ensures discipline and good manners. We aim to unearth every child's talent and provide opportunities which will enable them to discover something excited and enthusiastic for them by which the learning and buoyancy are always at par with each other.

Here at SSBS, we tend to build a resourceful individual out of a naive human, rendering them the wisdom which will lead to broader perspective of life. We impart education that is based on conscience and we rear a breed of young minds that are bustling with self confidence, motivation and ever ready to take up challenges. We believe in holistic education for students, encompassing – academics, co-curricular activities, sports education and life-skills learning. Our endeavor is to strike a balance between state-of-the-art infrastructure and an internationally acceptable education.

I am entirely pleased and hopeful that all S.E.E. graduates will be interested in joining SSBS for flourishing their immense potentialities for their career building. We are confident that this school is the best place for you. We welcome your active interest and involvement for your own progress and activities. We look forward to your continuous support.

Thanks.

Mr. Basudev Neupane
Chairman

Message

From the Principal

Mr. Binod Adhikari
Principal

Sagarmatha Secondary Boarding School is an amalgamation of competent teachers, state-of-the-art infrastructure and an experienced and efficient administration. The school came into existence with the vision of creating a safe and supportive environment for its students – to provide a perfect balance of academics, sports, artistic and social opportunities. Childhood, youth and learning should be a joy and we strive for that.

The school's genuine concern ensures student's emotional growth along with intellectual excellence. This empowers them to develop their self-esteem, self-awareness and self-confidence. Sharing ideas, analyzing situations and expressing them confidently are essential skills which are honed here, through experimental learning.

While studying at the school, the students will be groomed to become confident, articulate and enlightened young citizen, ready to step into global society with dignity, honour and integrity.

We believe in giving our students strong values along with a set of wings which may carry them far and wide. In other words, our students are equipped to face the challenges of the rapidly changing world.

We rear students who are creatively curious and strive to experiment and innovate new things on both academic and non-academic fronts. Our pedagogy is child-centric with emphasis on inquiry and project-based learning. We treasure dynamism and deem that one should be well prepared to adapt to the global scenario and work on his learning accordingly. This is perhaps why we have introduced a globally advanced curriculum.

Besides rigorous scholastic programmes, we seek to develop and nurture the different facets of a child. From academic to dance, theater, music and a variety of sports, we focus on developing both. The mental and the physical abilities of a student. The activities provide holistic grooming to the student wherein the child is able to explore his true potential. Besides the usual procedural teaching, we persistently upgrade students relationship, we work around making studies as effortless as possible.

Today's Nepal is an empowered, enlightened and enterprising nation. We wish to make it even more powerful with conscientious, smart and confident citizens who would make us proud of their multifaceted growth.

Message

From the Co-ordinator/ Vice Principal

Mr. Trilochan Gautam
Co-ordinator

Dear Students,

Welcome to the world of Opportunities!

I am happy that you have made a wonderful decision to associate yourself with SSBS. You can be assured of getting the best in terms of academics, co-curricular and sporting activities that will mold you into a true professional during your study period here.

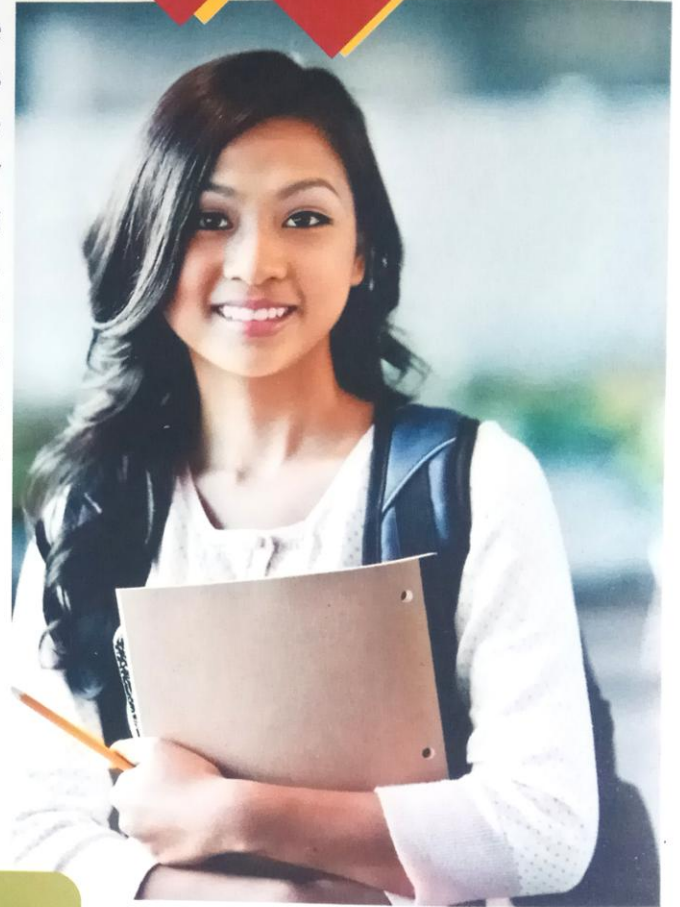

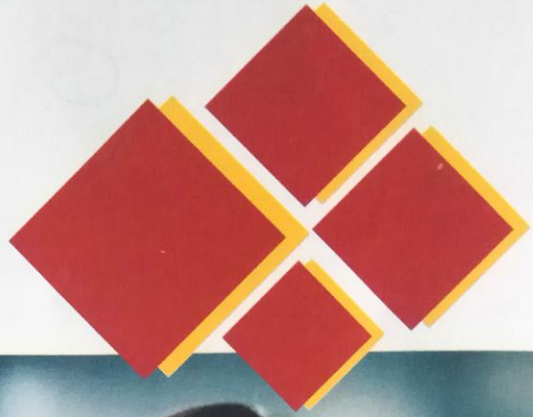

There is no better day than "TODAY" to start your journey of accomplishment. I wish your success in everything you get involved in.

In conclusion, our mission "**EDUCATION FOR ALL, EXCELLENCE IS THE GOAL**" epitomizes Sagarmatha. Welcome to a life changing unique learning experience at Sagarmatha for advancing your academic career.

Congratulation once again. We look forward to welcoming you to Sagarmatha.

Introduction

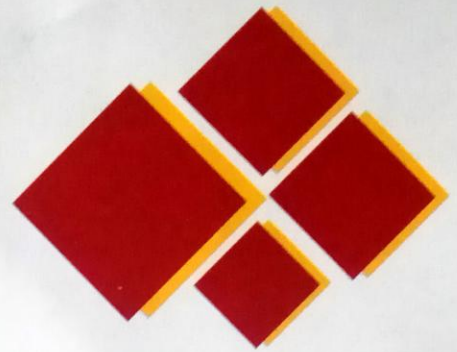

SSBS was established in 2053 B.S., as a modern and dynamic education institution imparting quality education in an affordable and conducive environment that enables students to achieve excellence in all walks of life to cope with the changes and challenges of 21st century. SSBS is recognized as one of the top most private schools of the nation which is founded with the mission to impart quality education to the students and serve the nation providing skilled manpower for its overall development. Presently, this school is serving with effective education to around 1600 students of different places and has created glorious history enlisting its name in the first position among all the private schools of Nepal continuously for three times in 2063, 2064 and 2065 respectively.

Aims & Objectives

In the new millennium, high quality education is paramount. SSBS has been founded and structured to meet these challenges by providing the most influential and skilled citizens. Further it strongly aims to guide and promote positive thinking, self confidence and leadership among the students.

Eligibility and Admission Procedures

- * The school management reserves the right to fix the quota as per the situation.

Discipline

*Discipline is the distinctive human value and it is a must for an individual and institution for the quality education and smooth functioning. SSBS maintains a high standard of discipline and never compromises in any breach of discipline. Therefore, all the students should strictly follow the rules and regulation maintained by SSBS. Any serious breach of conduct within and outside the academy will be sufficient reason for expulsion from the academy.

Student Council

- * To assist the management in organizing and conducting games and sports, co- curricular activities and activities related with welfare of the students, academy and the community.
- * To assist the management in publishing news, letters, wall/ school magazines and conducting literary activities.
- * To inspire the students in social welfare and community programme.

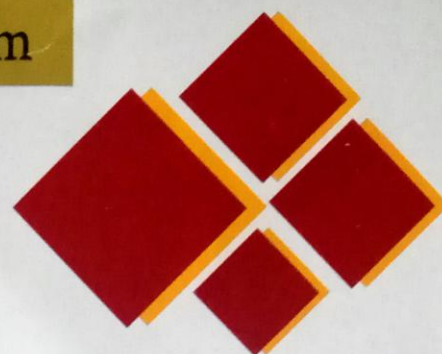

Attendance

*All the students are required to attend the classes, tests, examinations and other activities and submit their assignments regularly and compulsorily. Minimum of 90% attendance in each subject is required to appear in the board examinations. In case of serious illness, the student concerned must produce a proving medical certificate from the registered medical authority along with leave application.

Method of Teaching and Evaluation System

SSBS has adopted an innovative and advance scientific teaching-learning methodology in an exclusive way. The teaching is entirely interactive and student-centered. Our methods and techniques of teaching and tools of evaluation are based on lecture, demonstration, practical discussions, interactions, seminars, observations, project work, assignments, participatory learning, internal written assessments and external examinations. Educational visits and field trips are part of the curricular activities. Audio visual aids are widely used in the applicable lessons. Teachers' and students' orientation classes will be held on a regular basis.

A continuous year round cyclic sequence of teaching- evaluation- feedback- reinforcement-teaching and so on is the loop in our methodology. This helps to achieve academic excellence and professional competence through the development of psycho motor and intellectual skills.
